

2023 Corporate Sponsorship Levels and Benefits

Dance Party for Parkinson's, Inc. is proud to be in our 6th fundraising year. To- date we have raised over \$80,000 for The Michael J. Fox Foundation, where they do groundbreaking Parkinson's research. We have also funded a wonderful Dance for PD program, in its fifth year, at the Tilles Center. Our sponsorship allows people with Parkinson's disease, and their caregivers, to attend vital movement classes for free.

We are thrilled to announce our first in-person fundraiser since the pandemic began. **Rock Your Body For Parkinson's** will take place on Wednesday, May 10, 2023 at the Tilles Center for the Performing Arts. Ticket holders will experience a cabaret style performance by the NYC off- Broadway show **The Boy Band Project**. There will also be music by One Sound, food, drinks, a robust offering of auction items to bid on, and lots of fun!

Please consider sponsorship of our amazing event. All marketing materials and the event page will happily list our sponsors.

Funding raised from this event will allow us to continue our sponsorship of the Dance for PD program, as well as fund PD research via The Michael J. Fox Foundation.
